# What Other Doctors Are Saying ...

## “I just built my very own Million Dollar clinic.”

“Four years ago I never imagined I'd be able to build my very own office. The Practice Wealth System helped me get started in practice, when I didn't have a clue what to do. Once I got started, two years later I was collecting over **\$65,000 a month**.

Now 4 years later, after adding a couple of special niches we are collecting **\$175,000 a month** and just moved into a brand "new" clinic in a brand new building that I now own.

Thanks for all the help. *Dr. H, CA*

## “I Stopped Working for Minimal Wages. Now I am making over \$100K/mth.”

Before I met Dr. Erich, I was working long hours and making minimal pay, in fact... **my wife had to come and help out in my office.**

Well now a couple years later, **we have averaged over \$100,000.00 per month in 2015.** It's been a good year. I have kept the stress of running a busy practice to an absolute minimum, spending plenty of time with my family, taking **longer vacations** (and still making money) and overall... **enjoying my life.**

That's what practice is all about to me. It's not the Hokey Pokey after all. Thanks for your **amazing simple system** and all your help. *Dr. Eliot, CA*

## “\$100,000 Debt Gone”

“A few years ago I was barely getting by and my office was **swimming in debt** (over \$100,000).

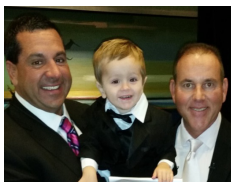

Things were so bad, my wife was actually suggesting that I start another business. I was determined to figure it out, and I was not going to give up. After getting Dr. Erich's Practice Wealth System and with his guidance, **I am now debt free!** As for my wife, I just bought her a new kitchen remodel. I think she is happy now! Thank you very much for all the help! *Dr. Todd, CA*

## “From ZERO - \$27K/month in just 7 months in a new Office!”

“I was open 2 months in my new office and was **only collecting around \$8,000 dollars in April of 2015.** Then a friend told me about Dr. Erich and his Practice Wealth System. I joined Dr. Erich's coaching and **5 months later, as of October 2015 I collected over \$27,000 dollars in a single month...** and most of that was all cash.

I work less hours now than I did before joining up with Dr. Erich and I still only have one CA. I am very thrilled, collecting this much money for a new doctor in practice while working less. **This Practice Wealth system and Dr. Erich's coaching works.** This is only the beginning. *Dr. Neal, TX*

## “Now collecting \$1.8 Million a year working only 3 days a week”

“When I rejoined with Dr Erich, **I was pretty much broke,** going thru a nasty divorce and Insurance was cutting my bills. He showed me one niche that I implemented right away and made over a million dollars the first year doing it. **Now in 2015 I did over \$1.8 million working 3 days a week with 2 CA's.** Thanks.” *Dr. Steve, PA*

## “I'm getting out of the insurance game and going CASH.”

“I've been in practice for a few years now, and I felt comfortable collecting \$45,000 a month, but then my eyes were opened at a Bootcamp. Since joining up with Dr. Erich, **I'm now collecting as much as \$89,000 a month.** I've almost doubled my collections and it was easy.

Before using Dr. Erich's System **I was heavily relying on insurance,** but now I'm collecting more cash. I was able to add other things to my practice that don't require me to treat patients and they make me money, even when I'm not there, so this has really made a big difference for me and my family. Oh yeah, **my case fees have doubled** too. Thanks Dr. Erich.” *Dr. Jeff, WA*

## “I was down to my last \$2,000 when I decided to make this work.”

“When I heard about Dr. Erich, I literally had \$2,000 to my name. Just a few short years later, we are **averaging \$75,000 in collections...** every month, and on our way to a **million dollar practice.** Last year total collections were \$754,000 and we passed that by mid-Oct in 2015.

That means we will have 2.5 months of pure growth. I was able to bring on an associate this year and that has blessed me with the time & freedom that I had wanted.

I have the **house of my dreams,** a fantastic family to share it with, and a **practice that makes money... even when I am not there.** I can honestly say, we would not be here without Dr. Erich and the Practice Wealth Team.” *Dr. Gunney, TX*
