

# ProArgi-9 from Synergy

**YES!** Dr. Erich, I'm ready to start sharing the benefits of Synergy with ALL my patients.

I know Synergy will help them: lower their **blood pressure**, improve their **circulation**, delay the onset or progression of **atherosclerosis**, and even reduce the likelihood of (and possibly prevent them having) a **heart attack** or **stroke**, so send me my requested package, as soon as humanly possible, so I can start helping people immediately.
